Small Computer Central

SC126, v1.0, Firmware

The SC126 (https://smallcomputercentral.wordpress.com/sc126-z180-motherboard-rc2014/), Z180 Motherboard has been designed to support two Firmware (https://smallcomputercentral.wordpress.com/firmware/) options installed in the two Flash ROM sockets. Currently these are:

- The Small Computer Monitor

- RomWBW

The recommended version of the Small Computer Monitor (https://smallcomputercentral.wordpress.com/small-computer-monitor/) for this board is:
SCM v1.0 configuration S6 (https://smallcomputercentral.wordpress.com/firmware/firmware-scm-s6/)

The recommended version of the RomWBW (https://smallcomputercentral.wordpress.com/firmware-romwbw/) for this board is:
RomWBW v3.0, SCZ180_126 (https://smallcomputercentral.wordpress.com/firmware/firmware-romwbw-sc126/)
